

## Year 11 Revision Schedule

<b>Week Beginning</b>	<b>Paper</b>	<b>Topics</b>
21/1	B1	Cell Biology, organisation
28/1	B1	Infection and response, bioenergetics
4/2	C1	Atomic structure and the periodic table Bonding, structure, and the properties of matter
11/2	C1	Quantitative chemistry, chemical changes and energy changes
25/2	P1	Energy, electricity
4/3	P1	Particle model of matter and atomic structure
11/3	B2	Homeostasis and response
18/3	B2	Inheritance, variation, evolution and ecology
25/3	C2	Rate/extent of chemical change and organic chemistry
1/4	C2	Chemical analysis, chemistry of the atmosphere and using resources.
23/4	P2	Forces and waves
29/4	P2	Magnetism and electromagnetism
6/5	All	Question and answer session
