

20 week count down Maths revision

EXAM DATES

21st May Paper 1 (non-calc)

6th June Paper 2

11th June Paper 3

	Date		Hegarty Maths & Diagnostic Questions	Just Maths "CrossOver" Topics & Videos https://online.justmaths.co.uk User Name: SWStudent Password: StWilfrids			
1	07/01/2019		Fractions	14 15	Fractions 14	Fractions 15	
2	14/01/2019		Factors, Multiples, Primes, Standard Form and Bounds	4 6 21	Products of prime factors 04	Multiples in context 06	index laws 21
3	21/01/2019		Basic Algebra	22 23 24	Expand and simplify 22	Factorising 23	Factorising 24
4	28/01/2019		Inequalities and brackets	5 71 72	Inequalities 05	Forming and solving equations 71 72	
5	04/02/2019		Sequences	1 3 69	sequences and the nth term 69	two way tables 01	use of a calculator 03
6	11/02/2019		Co-ordinates and real life graphs	38 54 34 35 55	real life graphs 38	plans and elevations 54	co-ordinate geometry 34 35
7	18/02/2019	HALF TERM	Fractions and Percentages	10 11 12	percentage of an amount 10	interest and growth 11	depreciation and decay 12
8	25/02/2019		Ratio and Proportion	7 16 17 18	ratio 16 17	proportion 18	Best Value 07
9	04/03/2019		Angles and Polygons	44 46 47	alternate & corresponding angles 46	Interior & exterior angles 47	bearings 44
10	11/03/2019		Probability	50 51 52	probability from a table 50	probability tree 51 52	
11	18/03/2019		Multiplicative reasoning	8 9 53 70	exchange rates 08	venn diagrams 53	rounding & errors 09
12	25/03/2019		Direct and Inverse Proportion, vectors	19 20 68	standard index form 19	standard index form 20	vectors 68
13	01/04/2019		Transformations	65 65 66	reflections 64	rotations 65	reflections and rotations 66
14	08/04/2019	Easter Holidays	Transformations	36 37 63 67	enlargements 63	translations 67	speed, distance, time 36
14	08/04/2019	Easter Holidays	Linear and non-linear graphs	31 32 33	straight line graphs 32	quadratic & cubic graphs 33	time series 31
15	15/04/2019	Easter Holidays	Perimeter, area and circles	56 57 58 59 60	circles 56	circles 57	arcs and sectors 58
16	22/04/2019		Averages and scatter graphs	26 27 28	averages 26	averages from a table 27	averages from grouped table 28
17	29/04/2019		Pythagoras and Trigonometry	39 40 41 42 43 30	Pythagoras 39	Pythagoras 40	Trig 41, 42, 43
18	06/05/2019		Collecting data	49 02 29	Pie charts 49	frequency trees 02	frequency diagrams 29
19	13/05/2019		similarity and congruence	61 62 45	Similar shapes 62	congruence 61	pythagoras with Trig 45
20	20/05/2019		reverse percentages, simultaneous equations	13 25 73 74	reverse percentages 13	rearranging equations 25	simultaneous equations 73 74

These are the topics that appear on both the Higher and Foundation tier papers.
