Dear Parents/Carers

I hope that you and your families are keeping safe and well and that your son(s)/daughter(s) are looking forward to returning to school.

Year 7 students have started today with great excitement and we are all looking forward to seeing all students returning over the next few days.

As I have described in previous letters, we have had to make some significant adjustments to how the school is run on a daily basis so that we can maintain as low a level of risk of virus transmission as possible.

One significant adjustment concerns our ability to invite parents/carers into the school for whole school events such as Parents Evenings, Year Group Information Evenings, Open Evenings, etc. As a result, all such events are subsequently cancelled and at this time we are working on plans to "do them another way".

Please can you bear with us whilst we work on this and we will let you know once we are able to confirm alternative proceedings.

Thank you for your patience.

Yours sincerely
