

## St Wilfrid's Pathways Newsletter

'Teaching life skills, Hard work and Resilience, through Inspiring Vocational Education'

Wednesday 28th April 2021

# Apprenticeships

Recruitment for apprenticeships have really picked up recently you should register and keep an eye on the live and current vacancies on the CCG portal:

<https://www.ccgapprenticeships.ac.uk/applicant/current-vacancies>

If you have any questions, contact the apprenticeship team at [apprenticeships@crowley.ac.uk](mailto:apprenticeships@crowley.ac.uk)

You can also register at Amazing Apprenticeships at [www.amazingapprenticeships.com](http://www.amazingapprenticeships.com)

We are encouraging students to take part in the UK University & Apprenticeship Search Virtual Fair on Wednesday 26th May (12:00-18:00).

This free event features 10 interactive webinars and virtual campus tours. It is aimed at years 13, 12, 11, and 10 as well as parents. The event will provide your child with all the information they need to make informed decisions about their post-18 options. Please click on the image below for further information

## Opportunities Online

### Interested in finding out more about the exciting and rewarding careers in medicine and healthcare?

At this virtual event, students will hear from a breadth of healthcare professionals about what it is like working in the NHS.

Application Form: <https://bit.ly/3vNQ7cK>

### Kick start your Career with the BBC website

Ready to launch your career at the BBC? Whether you are a graduate, school leaver or looking for the opportunity to change your career, our new talent schemes could kick start your passion into a job that you love.

Physics in concert incorporates many features of the highly successful Ashfield Music Festival activity; students work in teams, learn about engineering by taking on different roles and learn how physics applies in the context of planning a music event.

As Covid restrictions wind down, we are busy preparing to give students some truly unique in-person summer experiences in 12 of the world's most exciting careers: try hacking a Tesla with cyber experts; attend a sports psychology session at Chelsea FC; or even trade the markets with bankers at the top of an iconic London skyscraper.

Big names; exciting, interactive experiences; exclusive insider access. Our work experience programmes are unparalleled. Highlights include:

- Architecture: Draw a building in a design studio
- Computer Science: Hack a Tesla car alongside cyber experts
- Dentistry: Experience emergency dentistry
- Engineering: Dismantle a 'supercar' engine with F1 engineers
- Entrepreneurship: Pitch a business plan to top CEOs
- Filmmaking: Direct actors on a film set and present at a film festival
- Investment Banking: Trade the markets in a City skyscraper
- Law: Advocate for human rights in the Supreme Court
- Medicine: Practise suturing in a London teaching hospital
- Politics: Attend a reception with MPs in Westminster
- Psychology: Experience a sport psychology session at Chelsea FC
- Veterinary Medicine: Try horse rehabilitation with top equine vets

## Careers in VI Form

Soon we will be starting the EPQ as well as looking at Unifrog, Oxbridge and the opening of the UCAS applications.

Open days are coming thick and fast so if you have already started using SACU, find the university of your choice and access their website to attend the virtual and some face to face open days. For some universities you can book a tour to get a feel for the place.

Keep up to date with the most recent opportunities by checking with your subject tutors and the sixth form Instagram page. [#stwilfridsviform](#).

## Kick Start Your Career

If you're not sure what you want to do, either start work do an apprenticeship or go to university, there is only 1 place to start. The SACU quiz will give you more information than any other site. Everyone who takes this quiz will have a better idea about their pathway, and how to get started. Take the 2 min quiz to get all the advice you need. Click on the logo to take quiz:

## HSBC Insight Evening

HSBC offer roles across all of their major business areas, including retail, private, commercial and investment banking, as well as jobs in operational and support functions such as audit, compliance, risk management, legal, finance, human resources and technology. The online event is on May 5th from 5pm - 6pm, for Y11 / Y12 / Y13. If you'd like to apply to this exclusive event, please click on the registration link below.

<https://www.research.net/r/HSBC-UK>

## University of Southampton

Do you have students interested in Electronics, Computer Science and Biomedical Electronic Engineering? We have a programme of online taster courses running this summer here at the University of Southampton. We're ranked No.1 in UK, (2021 Guardian Uni Guide), for UK Electronics and Electrical Engineering. Come and find out why! <https://www.taster.ecs.soton.ac.uk/>
