Diocese of Arundel & Brighton and West Sussex County Council

15 October 2018

Dear Parents/Carer

I am writing to you to inform you that from Monday 22 October major road works will commence on Cheal's roundabout and they are expected to last for 7 months at the very least which will mean that journey times will naturally take longer.

As well as this, further roadworks will be taking place on Old Horsham Road in connection with the new housing estate. These works are due to start today, Monday 15th October, and are due to last until Tuesday 6th November 2018.

Given the impact that the most recent roadworks on Old Horsham Road had on the flow of traffic both in and out of school, it is advisable that you only drive to the school site if absolutely necessary as the safety of our students is paramount. The experience of late has raised safety concerns due to cars mounting the kerb, going through the red light on the temporary traffic lights and, on occasion, not giving right of way to pedestrians and cyclists. Please bear this in mind if driving to school.

Thank you for your support in this matter.

Your sincerely

Michael Ferry
Headteacher
