

PE A-level AQA Exam Board

Why Study PE?

If you love playing sports, have bundles of energy and enjoy learning about movement then studying PE at A level could be a career move for you. But, physical education is not just about performing, in fact this course does not entail practical participation in school. This is to be performed regularly outside of the school environment and you will video your performance when able to contribute towards this course.

However, in the classroom you will gain many valuable skills from studying physical education that will help you in other subjects as well as your future career.
